## HORROR OF SAVAGERY

Head chopped off with an axe. Stomach ripped open and intestines flowing out. Six-foot Onwuanaibe Anyaegbu was travelling by train from Pankshin, near Jos and met his tragic end at the Oturkpo Railway Station in Northern Nigeria where he was beheaded by Northern savages and his body put back in the train travelling to Enugu in the East. Many more men, women and children were beheaded in other Northern towns. The picture summarizes the grief of Eastern Nigeria.

50,000 SLAUGHTERED IN 1966; 2 MILLION STARVED TO DEATH 1967-1970, THIS IS HORROR OF NIGERIA SAVAGERY;
